- Completion time: 21–30 working days based on content readiness and product data
- Ownership of the store and content transfers after full payment
- Monthly product updates, extra features, or support beyond scope may incur additional fees
- Annual renewal of domain, hosting, or additional services billed separately after 12 months

## **General Notes for All Packages**

- Clients must provide all required content (basic text of Services, images, logos) to initiate the design process. However, Sovereign Media assists clients with basic content writing, layout suggestions and licensed images.
- All plans are subject to availability and workload capacity.
- Domain pricing:
  - .co.za – R220 per year (included in all plans for the first year)
  - .com – R320 per year (upgrade available at additional cost)
- All packages include 1 free website update per month (up to 20 minutes). Additional changes will be quoted separately.
- Sovereign Media reserves the right to update package features or pricing with notice.
- Payments are due monthly in advance to keep the website active.
- Any unpaid accounts may result in suspension of services until fees are cleared.
